SANDALWOOD OIL FACTORY, MYSORE.

Supply of charcoal to the Sandalwood Oil Factory Mysore from March 1932 to March 1933.

Sealed tenders are invited for supply of hard junglewood charcoal during the above period with a deposit of Rs. 50 as earnest money. Tenders not accompanied with the deposit will not be considered.

The tenders should specify the rate per ton for delivery at the factory.

The charcoal to be supplied should be free from dust and unburnt lumps, and the contractor should undertake to replace rejected quantites.

The contractor has to bind himself to supply the quantities ordered from time to time with as little delay as possible, and in case he does not supply the same within a reasonable time to be fixed at the discretion of the Assistant Director, he has to make good the loss, if any, sustained by the factory in arranging for the supplies from other sources.

The quantity required will be approximately 25 tons and may be more or less to the extent of 25 per cent.

The successful tenderer should execute an agreement on stamped paper within a week from the date of intimation that his tender has been accepted, failing which or any one of the conditions in the agreement he will forfeit the deposit.

"The last date for receiving tenders is upto 12 noon on 29th February 1932."
